Personal information:

We will only collect your email address through this website. You do not need to provide your name or any other personal information. Your email address will be stored securely for the duration of your participation in the project and will be permanently deleted once your participation has ended. Your email address will not be shared with any third party and will be used solely for purposes directly related to this project.

Personal usage:

This website does not use cookies, and there is no use of tracking involved in your visit or interaction with this website.

Video and audio capture:

Participation in ***Homo telematicus*** requires the use of a web link provided through **vMix Call**, which enables the transmission of live webcam video and audio from your device. By accessing and using this link, you consent to taking part in ***Homo telematicus*** and to the processing of the video and audio data you choose to share during your participation. Your webcam video and audio will be used solely for the purposes of this project. Further information about the data collected and processed by **vMix Call** can be found below.
